

# OP

## TECHNICAL DATA

Model: OP-200 / 500

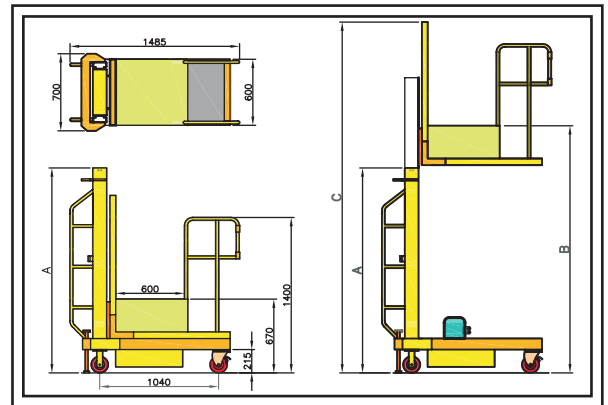

### Model: OP-200 / 500

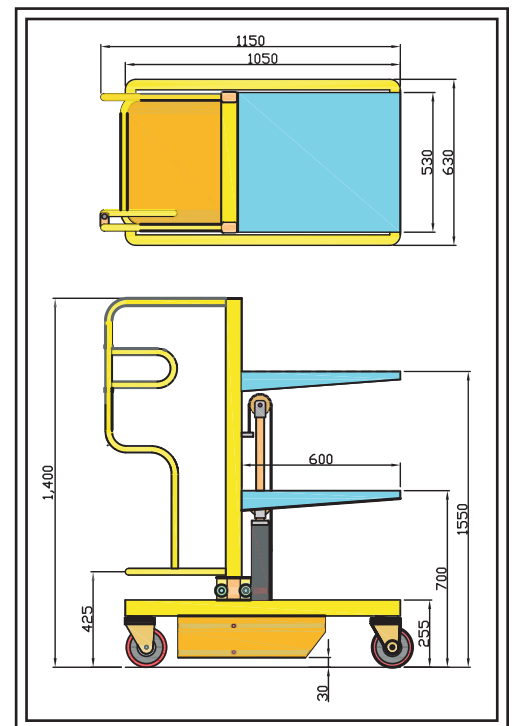

OP-200

OP-500

OP-500

OP-200

#### Salient Features:

- Reduces strain, operator fatigue.
- Increased safety & productivity in repeated order picking applications.
- Manual movement ensures easy maneuverability.
- Quick battery operated lift to desired height.
- Two parking brakes ensures safe arrest of equipment movement.
- Hand operated control is an added safety feature.
- Supplied with battery & automatic battery charger.

| SPECIFICATIONS                |                |                            |
|-------------------------------|----------------|----------------------------|
| Model                         | OP-200         | OP-500                     |
| Capacity                      | 200 Kg.        | 500kg (including operator) |
| Mast Type                     | Mono           | Mono / Tele                |
| Platform Size(LxW)            | 600 x 530 mm   | 600 x 600 mm               |
| Lowered Height                | 700 mm         | 670 mm                     |
| <b>Raised Height</b>          | <b>1550 mm</b> | <b>1600 mm</b>             |
| Shut Height ( <b>OP 200</b> ) | 1480mm         | <b>2000 mm</b>             |
| Extended Ht ( <b>OP-200</b> ) | 2300mm         | <b>3000mm</b>              |
| Overall Dimensions            | L 1050 x W 600 | L 1300 x W 760             |
| Wheels                        | Nylon          | Nylon                      |
| Battery                       | 12V            | 12V                        |

| ( OP 500 )  |                 |
|-------------|-----------------|
| Shut Height | Extended Height |
| 2525 mm     | -               |
| 1585 mm     | 2925 mm         |
| 2085 mm     | 3925 mm         |
